

## Changing Public Engagement: Evaluation Form

This project is about finding creative ways to engage women and girls about the issues they care about. We are seeking your feedback about how effective this event was in doing so.

### 1. Overall, this exercise in public engagement was useful.

Please tick the box that best describes your view:

Strongly Agree

Agree

Disagree

Strongly Disagree

### 2. What was most useful?

### 3. What was least useful?

### 4. Did you gain knowledge and/or understanding from this exercise?

Yes

No

**5. How would you describe your overall feelings at the end of this exercise?**

**6. What other exercises / events would be useful?**

**7. What “next steps” should be taken by policy-makers to address the issues raised?**

**8. Will you take further action on these issues, if so why, if not, why not?**
